**THE YEAR OF SUPERNATURAL DOMINION AND FAVOUR**

**SCRIPTURE REFERENCE:**

Isaiah 61:10-11

- I will greatly rejoice in the LORD, my soul shall be joyful in my God; for he hath clothed me with the garment of salvation, he hath covered me with the robe of righteousness, as a bridegroom decketh himself with ornaments, and as a bride adorneth herself with jewels. <sup>11</sup> For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the LORD GOD will cause righteousness and praise to spring forth before all nations
- God has done what He has promised to do. He cannot promise you to give you money and fail to give you because all the silver and gold are His.
- Understand who you are dealing with. You are dealing with God. You have come to God. You have come for God. You have come because of God.
- Rejoice that you have received this promise; that this is the year of supernatural dominion and favour. If you do not celebrate before the blessing, there is no guarantee that you will celebrate after you receive the blessing. Do not be like Saul. Consider Saul's attitude towards being king before and after his ascension to the throne.
- God wants to put you in a faith gear. Get into the supernatural now before you have received anything. Let Isaiah 61:10-11 be your daily confession.
- You have to change inside first. The change from the inside will manifest itself externally. There is a story about a pig that we should reflect on. There was once a pig that was washed clean and was even made to wear a ribbon. The pig was then taken in as a pet. The pig is then firmly instructed not to play in the mud and make itself dirty again. The pig has only undergone an external change of appearances, and unless the pig has been changed internally, it will be very much impossible for the pig to adhere to the commands it has been given.
- When the Word says 'be fruitful and multiply' it means that you should spread your wings and increase your capacity and influence in the world through what the LORD has given and bestowed upon you.
- When God dresses you with the garment of salvation, no one can undress you. When God dresses you with the robe of righteousness, no one can undress you. You are in right standing with God.
- God uses a language we can understand.
- For us to realize that this is the year of supernatural dominion and favour you have to be clothed/dressed. Are you dressed? Do you have this robe of righteousness and this

garment of salvation? Only you can answer whether you are sacred, set apart and in right standing before God

- Progress in life; from one level of faith to another; from one level of love to another
- Hold on to the word of the LORD. Even if you do not understand. Trust Him. Trust the will of God. Go through this fast. Trust His Word, what He has promised, and you will be blessed.
